GEN. & REV. SECTT. 3 AUG. 1929

(Connected file is not readily available.)

SIR,

Adverting to Government Order No. L.7310-20/V.P.26-28-16 dated 30th April 1929 directing that the cost of stationery and printed forms to be supplied to Village Panchayet work in Taluks may be debited to the head "30 grants for Public Improvements 5 - Rural Reconstruction (i) Contingencies" from 1st July 1929, I have the honour to state that if this arrangement is given effect a considerable portion of the grant under 'Contingencies' for the current year will have to be diverted to meet the cost of the supply of stationery and forms and there will be very little amount available for Village Improvement Works. If these returns are required by Government for statistical purposes the cost has to be borne entirely by the Press as in the case of other forms but in the case of any forms used by the Village Panchayets the cost may be required to be borne by them. As the bulk of the forms however are of the former description it is not clear on what principle these are required to be paid for by the Revenue Department and a grant provided for special purposes drawn upon to meet a charge which rightly pertains to the General Administration. Since the adjustment of stationery charges to the Government Depot was waived last year in the Government Order quoted above, it was possible to appropriate the major portion of the grant under "Contingencies", for Village Improvement works in addition to the provision of Rs.50,000/- made under "Assignments to Village Panchayets". During the current year also only a sum of Rs.50,000/- has been provided under "Assignments to Village Panchayets" and this amount is too small for the purpose.

4

I therefore beg to recommend that Government may be pleased to reconsider the question and direct that the cost of stationery and forms may not be debited to the provision under 30-5(i) contingencies but met out of the budget of the Press Department alone A suitable supplemental grant may be given to that Department in due course if the provision now made is insufficient to accommodate the expenditure incurred for supply of stationery and forms to Village Panchayet work.

I have the honour to be,
Sir,
Your most obedient servant,

Assistant Commissioner

Sir,

L 5889 dt 7/11/30

With reference to your letter No. C.502/29-30, dated 2nd August 1929, requesting that for reasons given the cost of -- stationery and forms supplied for Village Panchayets work in Taluks be ordered to be met out of the budget of the Government Press, I am directed to state that Govt., do not consider it appropriate to utilise any portion of the provision made for -- contingencies for Panchayet works. Govt., realise that the grant of Rs. 50,000/- -- provided under "Assignments to Village -- Panchayets", in the current year's budget may not be adequate to meet all the demands thereon but the grant can be -- enhanced only when the revenues improve. They therefore consider it desirable at present to adhere to the arrangement sanctioned in G.O. No. L. 7310-20/V.P. 26-28- dated 30th April 1929, under which the cost of the stationery etc., has to be met out of the head "30 Grants for Public Improvements - 5 Rural Reconstruction (1) Contingencies.
